k-l-a-n. Boo!

The fear of a Klan organizing in Lexington exists with only those who need to fear.

When the applause at a Democratic political speaking is led by the Republicans, it is high time for the Democrats to commence thinking.

As soon as the homes in Lexington and adjacent territory are all equipped with radio receiving sets, the Daily Intelligencer will be broadcasted daily, except Sunday, at five minutes past the noon hour so that the busy farmer, business man and housewife may receive and digest the latest news along with their food. No extra charge will be made for this service. Advertisers will be asked to have their copy at the office not later than 5 o'clock the day before.

Chronic Constipation.

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets affords a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation. Adv.

Sheriff Morsha accompanied by Joe Mills, Richard Adams and Elmore Sanders went to Booneville Wednesday, where the three young men will matriculate in the State Reformatory for a four-years course.

Periodic Bilious Attacks.

Persons subject to periodic bilious attacks will observe that their appetite falls them just before an attack. That is, they do not really crave food but eat because it is meal time. If they will eat only a light meal and no meat, then take two of Chamberlain's Tablets the attack may be avoided. Adv.

Dollars and Cents.

Counting it only in dollars and cents, how much did that last cold cost you? A man may not always stop work when he has a cold, but perhaps it would be better if he did. It takes about ten days to get completely rid of a cold under the usual treatment. That time can be much shortened by taking Chamberlain's Cough Remedy and proper care of yourself, in fact, a bottle of this remedy in the house is a mighty good investment during the winter and spring months. Adv.

S. W. Williams returned Saturday evening from an extended visit with relatives at Colfax, Iowa.

Children Cry FOR FLETCHER'S CASTORIA

Mrs. Ben Price and Mrs. Frank Parriot and children left Sunday evening for a visit with relatives in Cleveland, Okla.

SOUR STOMACH INDIGESTION

Thedford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.

East Nashville, Tenn.—The efficiency of Thedford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver."

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr. Parsons describes—valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Thedford's Black-Draught liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Thedford's. L. S.

Lafayette-Ray County Bridge.

We, the undersigned appeared before the State Highway Board on June 13, to ascertain their attitude toward recommending Federal aid to a Lafayette-Ray County bridge over the Missouri River. The Board said that they were very favorable to projects to secure a reasonable number of properly located bridges before Federal aid for such purposes should be withdrawn, and that they regarded this location as highly desirable. They indicated that they would heartily approve of such a proposition on a fifty-fifty basis, if Lafayette and Ray counties would vote bonds in the ratio of their assessed valuations.

John Hopkins, a student at Vanderbilt University, Nashville, Tenn., the past year, returned home Saturday to spend the summer.

For The Children.

Too much care cannot be exercised in selecting a cough medicine for children. It should be pleasant to take, contain no harmful drug and most effectual in curing their coughs and colds. Long experience has shown the Chamberlain's Cough Remedy meets these conditions. It is a favorite with many mothers. Adv.

Donald Dunford, son of Mr. and Mrs. W. A. Dunford, of this city, who entered West Point a year ago, has passed successfully the examinations for the first year's work. Congratulations, young man, the worst is over.
